

Math + Quilting: A Maker Bootcamp

<https://steam.lesley.edu/workshops>

Come join us to explore effective equitable math instruction that reinforces classroom learning through culturally relevant making.

Participants will receive an actionable toolkit designed to support equitable access to math standards for diverse students.

Up to 5 PDPs can be earned.

Participation cost is subsidized.

Email: makespace@lesley.edu

Facilitated by the Lesley STEAM Learning Lab at Lesley University
